RECOMMENDATION

That the following recommendation be enacted.

Proposal

Program/Project Title: Gas Cards for Senior Nutrition Program Participants

Amount of City Funding Required: \$10,000

Fund Type (i.e. General Fund, C&C funds, etc.): General Fund

Proposal Description, including anticipated outcomes (describe how change would affect services for San José residents, businesses, community groups, etc.):

Limited mobility and transportation can leave seniors isolated and unable to participate in the senior nutrition program. Gas cards are the most cost-effective method of providing transportation for seniors traveling to and from senior nutrition sites, while some seniors prefer the use of bus passes. The requested funds would provide for additional gas cards and transportation options for seniors participating in the senior nutrition program.
